### **School Mission Statement**

**“ I am the light of the world, says the Lord,  
anyone who follows me will have the light of life.”**

St Patrick's School is a Catholic Community in which everyone is valued as a member of God's Family. We aim to create an environment in which spiritual, academic, social, aesthetic and physical qualities can be developed to the full.

# **Policy for Collective Worship**

## **Mission Statement**

“St Patrick’s is a Catholic Community in which everyone is valued as a member of God’s family. We aim to create an environment where individual needs are appreciated, where responsibility is shared and in which spiritual, academic, social aesthetic and physical qualities can be developed to the full.”

## **The Nature of Collective Worship**

We believe that Christian worship in a Catholic school names and celebrates God’s presence in our lives. It is concerned with giving glory, honour, praise and thanks to God. It is our loving response, in word and action, to God’s invitation to enter into relationship, made possible through the work of Jesus Christ and the witness of the Holy Spirit.<sup>1</sup>

## **Legal Requirements**

We acknowledge the legal requirement that there must be a daily act of worship for all pupils.<sup>2</sup> (This can take place at any time during the school day and can be either a single act of worship for all pupils, or separate acts of worship in school groups.) We understand that simply holding an assembly that includes a prayer, said either by the teacher or everyone present, does not fulfil this requirement. We also acknowledge that collective worship and assembly are distinct activities. They may sometimes form part of the same gathering, but the difference between the two will always be made clear.

The act of worship is not designated curriculum time under regulations and will not be subsumed under any part of the curriculum, including religious education.

As a rule, acts of worship will take place on the school premises. However, the governing body has the discretion to allow acts of worship to be held elsewhere e.g. church, “on a special occasion”.

In this school, as with any Voluntary Aided School, responsibility for arranging Collective Worship rests with the Governing Body after consultation with the headteacher.

## **The Place of Collective Worship in the Life of our School**

We endorse the belief that Collective Worship takes into account the religious and educational needs of all who share in it:

- Those who form part of the worshipping community in church

---

<sup>1</sup> It is important to be clear about our use of terminology when dealing with the whole area of ‘Collective Worship’ in schools. ‘Collective Worship’ is a term used in legislation in this country but is not a phrase we use readily in a Catholic context. ‘Prayer’ and ‘Liturgy’ are terms more commonly used in our context and are explored in greater depth in the guidelines.

<sup>2</sup> Parents have a right to withdraw their child from Collective Worship. However, given the importance of Collective Worship in a Catholic school, parents and prospective parents need to be made aware of the fact that it can never be confined to ‘timetabled slots’ but may take place in a variety of contexts other than those which are specifically structured.

- Those for whom school may be their first and only experience of church
- Those from other Christian traditions – or none
- Those from other faith backgrounds.

It will be an educational activity or experience to which all can contribute and from which all can gain.

Worship in this school is more than just a legal requirement. It is an integral part of school life and central to the Catholic tradition.

### **The Aims of Collective Worship**

We believe that Collective Worship in our school aims to provide opportunity for all pupils and staff:

- To contemplate something of the mystery of God
- To reflect on spiritual and moral issues
- To explore their own beliefs
- To respond to and celebrate life
- To experience a sense of belonging and develop community spirit
- To develop a common ethos and shared values
- To enrich religious experience
- To grow in liturgical understanding and development
- To reinforce prayers which are part of the Catholic tradition
- To reinforce positive attitudes
- To participate fully
- To take time out 'to wonder at', 'to come to terms with' and 'to give worth to.'

### **Principles**

All Acts of Worship in this school will:

- Give glory and honour to God
- Be a quality activity, fundamental to the life of the school and its Catholic character
- Give children positive liturgical experiences, appropriate to their age, aptitude and family backgrounds in order to prepare them for the liturgical life of the Church.<sup>3</sup> In order to do this, celebrations will:
  - be kept small wherever possible or appropriate to help to personalise the experience;
  - be short and appropriately paced ( children's attention span lasts in any one activity for an average of one minute per year of life *i.e.*, 5-6 mins. *For Key Stage 1 and 7-10 mins. For Key Stage 2* );
  - be simple, including a range of experiences offered in a variety of groupings and in a variety of settings.

***Monday – Whole School Collective Worship – 15 minutes***

***Tuesday – Key Stage 2 Collective Worship – 10 minutes***

***Wednesday – Key Stage 1 Collective Worship – 7 minutes***

***Thursday – Whole School Collective Worship – 15 minutes***

***In addition, Father Leonard (Parish Priest) attends school to celebrate Mass at the beginning and end of each term. Pupils also attend Mass at St Patrick's Church to celebrate major liturgical festivals, such as Harvest, Advent, Lent (Ash Wednesday), Easter and St Patrick's Day. At least once each term pupils from school also lead Sunday Mass celebrations for the parish.***

***Father Leonard also attends school to carry out Penitential Services during Advent and Lent.***

## **The Planning, Content and Delivery of Collective Worship**

Collective Worship is planned:

- following a structure with reference to the Church's seasons and the themes in 'The Way, the Truth and the Life'
- , significant dates and the curriculum. Scripture will be the focus in most acts of worship
- involving consultation with appropriate parties and reference to school aims and policies
- with flexibility to respond to changing situations within the school and the wider community
- to develop in pupils skills that enable them to prepare, organise and lead worship rather than always participating or contributing in a token way.

## **Recording**

Collective Worship is recorded:

- on a liturgy planner to keep note of themes, leaders, pupil groupings and resources
- through displays, collections of pupils' contributions, prayers, reflections, photographs, videos etc.

## **Monitoring and Evaluation**

At least once a year the school's provision of worship will be evaluated to consider whether it meets the needs of all pupils and whether pupils are making progress in acquiring skills and abilities in organising and leading worship.

The headteacher (and R.E. Co-ordinator) regularly attends Collective Worship and monitors this closely)

## Resources

*Each class and the main hall has a focal R.E. area, which is the focus for all Collective Worship. Appropriate cloths (according to liturgical season), candles and bibles are used, as is a range of reflective music, stored centrally in the Meeting Room. Resources are stored in classrooms and also in the school library and Prayer Room, where they are available to all staff.*

*“Welcome the Word” provides a focus for weekly worship, as does a range of age appropriate childrens’ prayer books and the Cafod website. Staff also access resources from a series of recommended websites – provided through the half termly R.E. Co-ordinator Cluster Meetings.*

*Understanding of the use of a wider variety of interactive resources to deliver effective R.E. lessons is part of our development programme within the R.E. Cluster in Calderdale.*

## Voluntary Worship and Retreats

Each week pupils in Key Stage 2 are given the opportunity to visit the Prayer Room to give time to silent prayer and make their own petitions.

## Eucharist

Eucharistic celebrations in school will highlight a special occasion and will normally be celebrated with children whose faith development has reached an appropriate stage. The same general principles will apply to planning a Eucharistic celebration as other acts of school worship, therefore opportunities for children to participate will be maximised. When preparing these celebrations reference will be made to **“The Welcome Table. Planning Masses with Children”** which contains the complete text of the Church’s **‘Directory for Masses with Children’** as a basis for our practice.

We believe that children are best introduced to prayer, the sacraments and particularly the Eucharist in a step by step approach.

In school, therefore, the **‘Liturgy of the Word’**, rather than the Eucharist will be the norm.

At **Key Stage 1** worship includes:

- short, simple liturgies with ritual and variety
- occasional liturgies reflecting the Introductory rites in the Mass and/or The Liturgy of the Word

At **Key Stage 2** worship includes:

- short, simple liturgies with ritual and variety
- occasional liturgies reflecting the Introductory Rites in the mass or The Liturgy of the Word; or the Eucharistic Prayer; and/or the Communion Rite.

In all our liturgies we are now beginning to use dance and music more creatively to celebrate the Word of God.

**The Co-ordinator for Collective Worship**

Mrs Linda Brown (Headteacher) is the Co-ordinator for Collective Worship.

**Policy Monitoring and Review**

This policy is monitored by the Collective Worship Co-ordinator and is evaluated and reviewed by the whole school staff and governors every two years. The Foundation Governors and Father Leonard (Parish Priest) in particular will play a most important role.

## Appendix 2

### **Diocesan Statement on Collective Worship**

*[a useful model for the school prospectus]*

It is the responsibility of every catholic school to provide for all its members a vital experience of liturgy, worship and prayer which:

- names and celebrates God present and active in authentic human experience
- is educative
- is within our Catholic tradition

The purpose of these experiences is:

- to give honour and praise to God
- to develop the school as a community of faith
- to assist pupils in developing their relationship with God, creation and the community of the Church
- to witness to the community and the wider world

Collective worship in our schools will be:

- properly planned
- adequately resourced
- recorded
- monitored
- evaluated

in order to ensure that the collective worship experienced within the school is a relevant, meaningful and positive contribution to the religious, spiritual and moral development of all members of the community.
