Dear Parents/Carers

E-SAFETY INFORMATION EVENING - PARENTS AND CARERS TRAINING TO SUPPORT YOUNG PEOPLE ONLINE

As you will all be well aware, e-safety is a paramount concern, both in schools and for parents and carers. In the light of this, as part of our on-going Safeguarding procedures at St Patrick's, we have arranged a Training Evening specifically for parents and carers on Thursday 24th September at 6.30 pm in the school hall, run by Childnet. This training covers a variety of areas of concern and will include discussion on a range of scenarios that children of all ages may encounter online and the important advice that can be given. In addition, it will equip parents with the knowledge on how to protect their children online and empower them with practical advice to implement in their children's online lives.

I would encourage all parents to seriously consider attending this training course.

Kind regards,

Mrs L Brown
Headteacher
