13th February 2017

Dear Parents/Carers,

Just before half term starts we just wanted to bring to your attention a fantastic agreement that O₂ and the NSPCC have come to. You can take any internet device (tablet, I-pad, phone) to an O₂ shop (via appointment) and they will, free of charge, ensure you have the correct parental controls on it and show you how to use/install them. You don't have to be a customer of O₂ either! This is a fantastic offer from O₂ and I hope some of you will find it useful and utilise the free service. Further details can be found on the NSPCC website.

Finally, it has been brought to our attention by a few parents that when collecting and dropping off pupils, some adults are using e-cigarettes/vaping on school premises. Could we also please kindly remind all parents and family members that our school site is a fully non-smoking site for the safety and well-being of all our pupils, following current government legislation. This does include e-cigarettes of any type as well as non-electronic cigarettes/pipes/cigars etc. Thank you for your co-operation.

Hope you all have a fantastic half term holiday.

Kind regards

Tracy Gorin/Linda Brown
