"LIVE, LEARN, LOVE WITH CHRIST"

June 19th 2018

Dear Parents and Carers,

As you are aware we had a visit from Ofsted in May 2018 and the final report has now been sent through to us. The report is available on our website but if you require a paper copy please let the school office know. The published letter will go onto the Ofsted website next week.

We are committed to addressing the areas for improvement that have been highlighted in the report and have been working hard to significantly improve systems and standards across school with Mrs Lomas over the last two terms. Mrs Lomas will be with us at St Patrick's for the next academic year providing expertise and continuing the improvement work started this year.

The Governors would like to thank Mrs Lomas for guiding the school through the inspection and in particular for the work she has implemented to improve standards across our school. We can already see the impact this is having on our children's learning.

We are delighted to welcome some new members of staff to join Miss Snape, Mrs Mitchell and Mrs Clarke from September 2018. Miss Hudson will be joining our team as the new Deputy Head teacher in school. She comes to us bringing strong experience of leading maths and is a very bubbly, energetic teacher with excellent teaching skills.

We are also blessed to have a very experienced outstanding teacher joining us at St Patrick's, Mrs Nutbrown. She is a very creative and dynamic teacher who specialises in Key Stage 1.

Both new teachers are really excited about September and cannot wait to meet the children and families. We very excited about our School Improvement journey as we have staff with the experience, skills and determination to improve standards across school and tackle any challenges we face. We are thankful of the support from our families and the fantastic children we have here at St Patrick's.

We also have appointed Mrs Amanda Robinson as our Senior Administrator and she will join our team in September 2018. She is looking forward to meeting families and our wider school community.

Please take the time to read our Ofsted Report and as always we welcome and feedback or comments you might like to share with us.

Yours sincerely,

The Governing Body of St Patrick's Catholic Primary School
